Cargo Movers: Personalized One-stop Solution for all International Logistics & Customs Requirements

While time to deliver is shrinking, the emphasis on personalized and more secure mode of transportation & international freight forwarding (import-export), warehousing, documentation, supply chain, custom clearance and local transportation is gaining significant importance with each passing day. When it comes to India, the country is known as a more complex and unorganized logistics market. Born to challenge this status quo, Cargo Movers has been transforming the industry towards being an organized reputed international logistics player, and offers all of the above mentioned services. This renowned NVOCC company offers some of the most innovative routings employing all modes of multimodal transport to serve over 300 worldwide destinations charter flights to Kabul, Afghanistan, Project cargo, ODC, multistop sea/trucking to Russia. The company has its own custom clearing licence in New Delhi approved by Ministry of Finance.

"Our well defined transportation facility supported by a fleet of more than 10 trailers/vans covers import shipment at ICD, Tuglakabad, CFS Patparganj and Mumbai to anywhere in Delhi & NCR, and even door delivery for export & import shipment," states JK Arora, Managing Director, Cargo Movers. The company holds expertise in General Cargo, Project, Exhibition, Carnet, Third Country Export, Transfer of Residence, Customs Procedures & Processing under different Licence Schemes like Advance License, EPCG and others. This ISO 9001 company is also an IATA certified company and has well qualified DGR certified staff. Cargo Movers is also an exclusive India member of World Freight Organisation (WFO), IATA, CHA, ACCAI, WAA, MTO, WFO, and BNI network.

As a reliable service provider, Cargo Movers believes in giving a personal touch to every project it undertakes. "Understanding the unique needs of each customer is essential for moving time-sensitive cargo," says Arora. Post comprehending this need, the company develops a customized shipping

program for every client that delivers the highest level of service at maximum value. Cargo Movers has its own warehouse at Mumbai, Dadri and New Delhi airport, which helps the company provide utmost level of satisfaction.

Logistics beyond Boundaries

Cargo Movers is India's premier air & sea freight forwarding company which has strong association and operations in over 50 countries and several key locations including U.S., Spain, Singapore and many other nations. The company has been a trusted partner for American Embassy, Ministry of External Affairs and many Japanese & Korean MNCs in international courier, sea freight and air freight deliveries. Its specialised air freight department is renowned for its delivery on the promised date at unmatched cost. Cargo Movers picks up the delivery from the factory, clears customs and constantly tracks the delivery until it safely reaches the destination. Fast Track International is the courier division of Cargo Movers that provides air express services for transporting of documents and samples between countries. Fast Track operates internationally through its own networks in U.S., UK, and Singapore, and has tie-ups with DHL, UPS and FedEx assuring a time bound and reliable service.

Towards the Beacon

Cargo Movers team comprises of highly qualified people from airlines, state trading corporations and MBA graduates from Indian Institute of Foreign Trade and has conducted over 150 seminars to train them on finding new products, suppliers, internal sourcing and such other topics. For its outstanding service to supply chain management, Cargo Movers was awarded as the

'Best Global Logistics Company' by Indian Cargo Awards and has also been ranked among the top 100 IATA certified Logistic Companies in India. The company aims to be among the top 10 logistics company managing 60 percent of bulk freight forwarding business.
